**DUAL LOCK OPTION - For Dual Lock Products ONLY**

Knox Master Keys are provided to authorized fire departments or other registered entities on an as-needed basis solely for the use with Knox Rapid Entry System. No other use of the keys or their associated codes is authorized. Key codes associated with the Knox Master Keys and Keyways remain the property of the Knox Company. If any replacement keys are needed, the transaction will be handled through the local fire department. Knox Company will send the replacement key to the Knox coordinator at the appropriate Fire Department and the FD representative will give the key to the appropriate property owner

Authorized Dual Lock User Signature

Date \_\_\_\_\_

## Two views of a black metal safe. The left view shows the safe closed with a silver handle and a label that reads 'FIRE RESISTANT'. The right view shows the safe open, revealing the interior with a keyhole and a small compartment.

#3227 Recessed
